Finding Aid for

RYAN Descendancy Chart

SUMMARY INFORMATION

Creator of the family genealogy donation: unknown

History or Biographical Information related to donor/collection: unknown

Acquisition Information: These charts were found rolled up in a closet of a house by the new owner. Despite attempts, the new owner could not find the family who might have owned these charts. So since her sister is a PCGS member and volunteer, they were donated to PCGS in hopes that interested people could access them. The Ryan descendancy charts were found with Carlisle charts in a different tube. (kmhanks 2021)

Access Restrictions:None

Deed of Gift: Acquisition form signed by the people who found them

To access this collection: Ask a librarian in the Local History/Genealogy Dept at the Peoria Public Library Main Branch to see these charts. This tube of charts is housed in PCGS storage room. Show the librarian this finding aid.
